Planning ahead and catching up!

Welcome back to school everyone! We hope you all had a fantastic Christmas and New Year.

January is all about **planning ahead** for the coming months and **catching up** on things you might not have had chance to do yet.

With several different themes in the handbook, look at your notes and ideas to see if there are any activities/topics you'd like to do next or any you didn't get chance to cover before the Christmas holidays.

Are there any topics you would like to revisit? Be Bright Be Seen is always a good one! Or safety around Christmas gifts – did anyone get a new bike or scooter for Christmas?

Notice Board Idea

New & exciting presents.....but can they be used safely?

'Safety Match Up' – use pictures to show e.g bicycle & helmet, big hood & can't see the road, skate board & safety pads, head phones & can't hear the road, mobile phone & distracted, scooter & helmet

I'm sure you've got better ideas than I have!!

Handbook

Remember to keep checking your handbook for ideas and subjects that you might like to cover.

Activities for January

Notice Board – check your board, does it need a little updating? Do you have anything new to display? Remember to keep it interesting and eye-catching

Talk – Arrange a meeting with either your adult helper or your JRSO Support Officer about what you want to do next? Do you need any resources for your board?

Collecting evidence – This is a good time to make sure that all the work you have already done is noted in your handbook and kept together in a folder for the end of the year.

Remember – Do not worry if you cannot get everything done and try not to do too much all at once.

Need some motivation, just ask!

JRSO News

Planning ahead and catching up!

The Tour De Yorkshire is coming back to Barnsley

On Friday 3 May 2019, Barnsley will again be a part of the biggest cycle race in Yorkshire.

- Is your school on the route?
- Can you organise a 'cycle themed' assembly or a competition to help celebrate the TdY?
- Could pupils do a display for outside school for the crowds & parents to see?

Bikeability...

Did you know that your school is entitled to **FREE** Bikeability training?

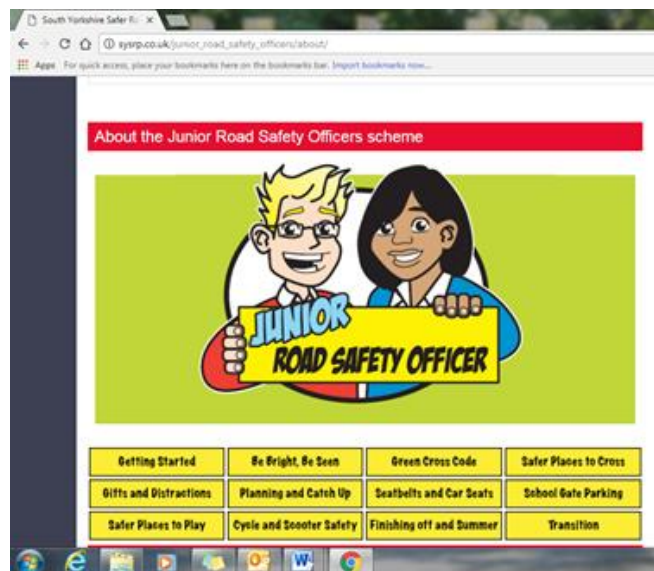

Cycle training can help keep you safer on the roads and make cycling more enjoyable.

ALL primary schools throughout Barnsley can request this free training for year 5 & 6 pupils. However, availability is limited and allocated on a first come, first served basis.

Contact your local provider
Active Barnsley – 01226 736644

Check it out – sysrp.co.uk / 0 – 16years / Junior Road Safety Officers

Remember to look on our website for help, tips and ideas for competitions
